

1967 Terrell High Band State Competition, March 10, 1967, Prairie View A&M University.

The Prairie View Interscholastic League (PVIL) played a leading role in developing African American students in the arts, literature, athletics and music from the 1920's through 1967.

A big shout out to former Band Director Mr. Walter Shaw, Jr. and Sharon Ann Grant Holmes for preserving this rare competition footage of the last concert to be held at Prairie View prior to the closing of Terrell High. This footage was converted from an old Ampex reel to reel tape over 52 years old. Great Band and Sound and Sound!
