

A MESSAGE FOR MY FAMILY
When I awoke to strange surroundings
Many things were new to me
There were white clouds, blue skies and streets of gold
There were angels all around me
Then I looked and I saw Jesus
With His arms stretched out towards me
I ran and bowed before Him
For so glad was I to be...
In the presence of the Master
The One who died for me
So that I could receive Salvation
And live eternally
My family, I will miss you
But I know that day will come
When we will be together in glory
Praising and worshipping God!!
So hold tight to this assurance
Allow God's love and soothing arms
To embrace you in His bosom
Till that great getting up morn!!
Love,
Connie
